BLOOMFIELD HILLS AND SURROUNDING AREAS

Bloomfield Hunt Club Estates

This stunning private, gated community offers the best in high-end homes. When you live in Bloomfield Hunt Club Estates, you belong to a private community that grants you full membership to the Bloomfield Open Hunt. Amenities include formal and informal dining, swimming pool, tennis courts, equestrian facilities, and cross-country skiing.

Charing Cross

This desirable Bloomfield Hills neighborhood is comprised of medium size to large single-family homes. Homes are situated on estate size lots and were built between 1940-1999. Charing Cross is located east of Woodward and near the prestigious Cranbrook School.

Hickory Grove Hills

This community consists of 98 single-family residences which face Algate, Woodedge, London Wall and the north side of Hickory Grove streets in Bloomfield Township. Most of the homes were built in the 1960s & 70s with a variety of architectural styles. Pride of ownership is prevalent within the subdivision with residences being remodeled and maintained to a high standard. Hickory Grove Hills is close to Downtown Birmingham and Somerset Collections.

Quarton Lake Estates in Birmingham

The majority of Quarton Lake Estates is comprised of historic Tudor homes, most of which have been updated to include modern appliances and amenities. Many homes in Quarton Lake Estates also feature large, spacious lots with rich greenery and lush landscaping.

There is always plenty to do for Quarton Lake Estates home owners, with the nearby Quarton Lake and Booth Park acting as popular leisure destinations. Quarton Lake Park attracts visitors from all over the city to its serene nature paths, beautiful waterfall and peaceful dock on the water. Booth Park is an award-winning park complete with beautiful walking trails and an exciting playscape. Residents of all ages love this popular local park.

Quarton Lake Estates is home to a number of great boutiques and attractions, including the Schokolad Chocolate Factory, Birmingham Historical Museum and a number of specialty shops providing everything from fresh fish to psychic readings.

Quarton Lake Estates is a luxury neighborhood that includes gorgeous estate homes and charming historic buildings.

COMMUNITIES

BLOOMFIELD HILLS AND SURROUNDING AREAS

Orchard Lake

Orchard Lake homes present the opportunity to indulge in the best of Michigan's lakeside living. As the second largest lake in Oakland County (second only to Cass Lake), Orchard Lake is a well-established lake that has become home to hundreds of fulfilled residents.

Luxury homes on Orchard Lake are stunning pieces of real estate, frequently featuring private docks, stunning scenic views and comfortable home designs. Orchard Lake truly is a paradise and real estate in the area reflects the beautiful waterfront style of life.

Orchard Lake Country Club

Indulge in exemplary living with homes near Orchard Lake Country Club, and experience the finer side of Michigan life. The club's Colt & Alison par 72 golf course will delight golfers of all experience levels, with championship holes nestled in a backdrop of rolling hills, natural forests and challenging obstacles. Off the course, the club's executive chef will delight your taste buds with his culinary masterpieces, in a medley of casual, fine, banquet and catering options.

Orchard Lake Country Club has a fleet of 24 sailboats, Har-Tru tennis courts, a pool, lake house and over 650 feet of gorgeous waterfront property for your recreational enjoyment. The club also boasts an array of development programs focused around activities like personal training, sports skills and children's lessons.

Cass Lake

Resting along the shores of Oakland County's largest lake, Cass Lake real estate offers premium lakeside living in gorgeous waterfront homes.

Cass Lake is an all sports lake, allowing residents to indulge in all their favorite water-based activities. The lake is known as a great spot to find walleye, bass, trout and crappie, as well as bluegill and pike. Restrictions on activity between 9 p.m. and 6:30 a.m. allow Cass Lake home owners to indulge in a mix of action-packed days and relaxing evenings.

Cass Lake homes are diverse in age, with a number of homes being built from the 1950s onward. The lake also intersects Waterford, West Bloomfield, Keego Harbor and Orchard Lake Village. As a result, buyers interested in real estate on Cass Lake have a variety of living options and can usually find the perfect home for their needs.

FINE ARTS, MUSEUMS, AND THEATRE

The Detroit Institute of Arts

www.dia.org

The DIA has been a beacon of culture for the Detroit area for well over a century. Founded in 1885, the museum was originally located on Jefferson Avenue, but, due to its rapidly expanding collection, moved to a larger site on Woodward Avenue in 1927. The museum covers 658,000 square feet that includes more than 100 galleries, a 1,150-seat auditorium, a 380-seat lecture/recital hall, an art reference library, and a state-of-the-art conservation services laboratory. *Information source:* <http://www.dia.org/about/history.aspx>

Henry Ford Museum

www.thehenryford.com

The Henry Ford is a large indoor and outdoor history museum complex and a National Historic Landmark in the Metro Detroit suburb of Dearborn. Named for its founder, the noted automobile industrialist Henry Ford, and based on his desire to preserve items of historical significance and portray the Industrial Revolution, the property houses a vast array of famous homes, machinery, exhibits, and Americana. *Information source:* http://en.wikipedia.org/wiki/The_Henry_Ford

Cranbrook

www.cranbrook.edu

Cranbrook is one of the world's leading centers of education, science, and art. It is comprised of a graduate Academy of Art, contemporary Art Museum, House and Gardens, Institute of Science, and Pre-K through 12 independent college preparatory schools. *Information source:* <http://www.cranbrook.edu/about>

Michigan Science Center

www.mi-sci.org

The Michigan Science Center (MiSci) is a unique, fun and dynamic hands-on museum, offering programs that inspire curious minds of all ages to discover, explore and appreciate science, technology, engineering and math in a fun, dynamic learning environment. Through an interactive approach to science with engaging, hands-on exhibits, shows and activities, MiSci strives to help launch the next generation of Michigan's engineers, scientists and innovators, and significantly impact the cultural and economic renewal of Detroit and Michigan. MiSci is a 501(c)(3) nonprofit organization. *Information source:* <http://www.mi-sci.org/visit-us/about-us/>

St. Dunstan's Theatre

www.stdunstanstheatre.com

St. Dunstan's Theatre Guild of Cranbrook is an independent, non-profit organization committed to producing quality theatre in their community. Not coincidentally, they're named for St. Dunstan, patron saint of the arts - a legacy carried on through the loyal support of the members and audiences. Every member of St. Dunstan's is a volunteer. Onstage and off, they all share a love of theatre and a commitment to their "home away from home." They're also dedicated to the community and donate a portion of the proceeds each year to support three Cranbrook scholarships. *Information source:* <http://www.stdunstanstheatre.com/about.php>

ENTERTAINMENT

HIGHER EDUCATION

LOCAL AREA COLLEGES AND UNIVERSITIES

Oakland Community College

www.oaklandcc.edu

Oakland Community College (OCC) is a community college established June 8, 1964 in Oakland County, Michigan. With five campuses, it is the largest community college in Michigan and one of the largest in the U.S. The teams are known as the Raiders and compete in the National Junior College Athletic Association (NJCAA) and the Michigan Community College Athletic Association (MCCAA). OCC also has a competitive speech and performance team (the forensics team) that has had both State and National champions. OCC has a vibrant and growing performing arts program with a free 2-day Performance Festival event each February and regular theater shows. The school has a nationally acclaimed Culinary Studies Institute and is regionally recognized for its outstanding ABA approved paralegal program.

Information source: http://en.wikipedia.org/wiki/Oakland_Community_College

Baker College - Auburn Hills Campus

www.baker.edu

Auburn Hills offers degree programs that lead directly to careers that have today's best opportunities for employment and advancement. They specialize in several fields, including Echocardiographic Technology, Interior Design, Teacher Preparation, Dental Hygiene, Nursing, Computer Information Systems, Computer Network Security, Marketing, Management, Accounting, Business Administration, and more. *Information source: <http://www.baker.edu/baker-college-of-auburn-hills>*

Lawrence Technological University

www.ltu.edu

Lawrence Technological University was born 80 years ago in the middle of an innovation explosion that would change the world. None other than Henry and Edsel Ford helped launch the revolutionary experiment that would become LTU, providing guidance and space in their sprawling former Model T assembly plant for the fledgling school.

Today, they are still changing the world. Since those early beginnings students and alumni have gone on to design and engineer the tools, buildings, and products that helped define their generations. And tomorrow's LTU students will do the same. *Information Source: <http://www.ltu.edu/about>*

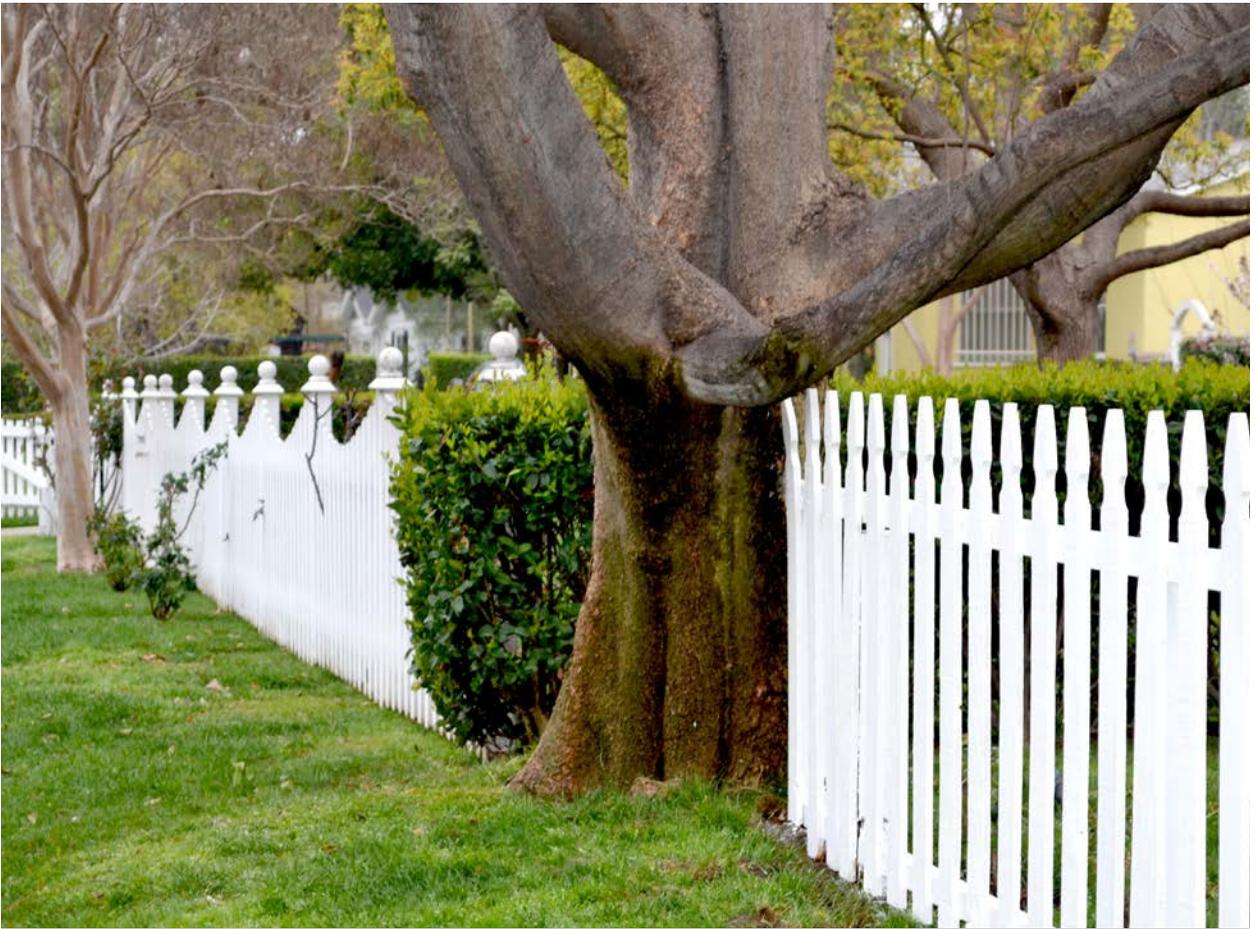

Oakland University

www.oakland.edu

Oakland University is a world-class academic institution located on 1,443 acres of wooded hills and meadows in Rochester, Mich. A vibrant academic community, Oakland University currently enrolls more than 20,000 students, boasts nearly 100,000 alumni, and delivers more than 260 degree and certificate programs.

The university was established in 1957 through a generous donation from founders Alfred and Matilda Dodge Wilson. They contributed their historic estate and \$2 million to Michigan State University to establish a satellite school, named Michigan State University - Oakland.

Oakland provides a distinct educational experience with flexible class schedules and state-of-the-art facilities, student services, classroom technologies, research labs, internships and research opportunities with corporate partners. Located in the heart of Oakland County's Automation Alley, the university has forged hundreds of partnerships with hospitals, Fortune 500 companies, cities, government agencies and educational institutions. *Information Source: <http://www.oakland.edu/about>*
