GROSSE POINTE AREA

Grosse Pointe Park

From compact neighborhoods of single and multi-family homes like “The Cabbage Patch” to grand estates along Lake St. Clair, this western-most Grosse Pointe community, just minutes from downtown Detroit, offers great diversity. Many of the homes, built before World War II, are architecturally significant. One such, the Buck-Wardell House, was the first brick house in Grosse Pointe. With two resident’s parks offering year round activities, including the Windmill Pointe Park movie theater, Grosse Pointe Park is a wonderful place to call home.

City of Grosse Pointe

Located on the southwestern shore of Lake St. Clair, Grosse Pointe is a community of close-knit residential neighborhoods. The City is known for its stately tree-lined streets and lakeside recreational facilities. The picturesque retail district provides unique shopping and business opportunities – Grosse Pointe residents enjoy a distinctive small-town atmosphere, and are within easy reach of the nation’s fifth largest metropolitan area and the entire Great Lakes region. The result is a delightful mix of the traditional and the contemporary flavored with a strong sense of community. Grosse Pointe has a national reputation as one of America’s most charming small cities.

Grosse Pointe Farms

Grosse Pointe Farms is a beautiful, upscale, suburban community on the shores of Lake St. Clair in southeastern Michigan. Since its establishment in 1892, Grosse Pointe Farms has become one of the premier neighborhoods in the country. The Farms is recognized for excellence in its schools, the quality of its housing stock, the safety and welfare of its citizens and its commitment to the special enhancements that make a city a community.

Grosse Pointe Woods

The Woods is the newest and largest – both area and population – of the Grosse Pointes. Here is where you’ll be reminded that the entire area was once farmland. The only one of the five communities not hugging the Lake St. Clair shore, residents can still enjoy full lake privileges at the city park located in neighboring St. Clair Shores.

Grosse Pointe Shores

The Village of Grosse Pointe Shores, A Michigan City, is located several miles north of Detroit. Grosse Pointe Shores is a picturesque family-friendly city, well known for the exceptional views of Lake St. Clair. With award winning trees and landscaping, the city is committed to maintaining and enhancing the beauty of the community. The homes range in price, size and architecture from affordable, well maintained single family homes to breathtaking historic mansions.
