VACANT HOME INSURANCE

Lots of homes don't qualify for standard insurance for many reasons. The Insurance One Program sets itself apart from the rest by offering specialized coverages developed for the unique insurance needs of a vacant home and its owner.

- Traditional homeowner's policies have coverage exclusions for properties which have been vacant for longer than 30 days.
- Our product provides building and premises liability coverage for those types of properties.
- Vacant Home policies can be written for terms of 3 months, 6 months or annually.

Note: Insurance eligibility subject to company underwriting requirements. Vacant homeowners insurance is available to cover the property and liability. Coverage varies from state to state and policies vary from company to company. Check with our Agency representative to determine the best policy to fill your needs.
